To whom it may concern;

I am delighted to have this opportunity to write a letter of recommendation in support of Mr. Cody M. Box for admission into the *MS in Agricultural Leadership, Education, and Communication* at Texas A&M University. I have known Mr. Box professionally since fall 2015 semester. He took the Marketing Research course with me. Academically, Mr. Box was an above average student in my class. While at SHSU, Mr. Box has been a member of numerous student clubs. As a non-traditional student, Mr. Box has been employed during most of his undergraduate years. Mr. Box has been heavily involved within the sports industry, both as an athlete and as the operation manager for Infinity Sports and Entertainment.

As a student, Mr. Box is highly motivated, disciplined, energetic, outgoing, and exceptionally mature student. I am especially appreciative of his desire to ask intelligent questions and participate in class discussions. The quality of his work is reflected in his drive and work ethics (he never missed a class).

In addition to his academic career, Mr. Box is the kind of individual you want as a mentor to other students. He is very respectful of others, sets an excellent example to others, and is extremely hard working. He energizes others and clearly appreciates the contributions of others. Based on feedback I have received from other students and personal conversations I have had with Mr. Box, he is an exceptional positive force within both a learning and social environment.

Clearly, I am not at a loss for words that describe Mr. Box and his abilities. Without hesitation, he has my highest recommendation. If you have any questions, you may contact me via phone at (936) 294-1312 or e-mail at Mehta@SHSU.Edu.

Sincerely,

Sanjay S. Mehta, Ph.D.
